*Devons Amour* makes no representations or guarantees whatsoever as to the physical features, attributes, personality or temperament of said kitten. Within 72 hours of receiving the kitten, the Buyer may, at his/her option, have the kitten examined by a licensed veterinarian at their sole

expense. If such veterinarian certifies life threatening illness/defect in the health of the kitten that is proved by an examination and/or any blood test, *Devons Amour* must be notified immediately, and the kitten must be returned with a copy of the veterinarian report. In such case, upon receipt of the kitten and veterinary report of illness *Devons Amour* will refund all money paid to *Devons Amour* for the kitten. BUYER INITIAL\_\_\_\_\_

Upon no conditions *Devons Amour* shall be responsible for payment of any medical treatment provided to the kitten by the Buyer during the time in which the cat/kitten is in the Buyer's possession, nor shall *Devons Amour* be responsible for any other miscellaneous expenses, i. e.; transportation, shipping etc. In the event of the death of the cat/kitten, the Buyer must provide photos and a copy of the complete necropsy report. BUYER INITIAL\_\_\_\_\_

This kitten is guaranteed for the first year (\_\_\_\_\_) against a GENETIC problem so severe that it prevents the animal from living a normal life as a pet, i.e.HCM. Upon receiving written proof of a diagnosis of HCM by a certified Veterinary Cardiologist, or diagnosis of other severe genetic health condition by a certified veterinarian. A veterinary autopsy/necropsy must be provided at the Buyer's expense to verify cause of death. *Devons Amour* will replace the cat/kitten with another cat/kitten of similar quality when available. If the Buyer do not want a replacement cat/kitten, *Devons Amour* will have no further obligation towards the Buyer.

BUYER INITIAL\_\_\_\_\_

This contract does not cover any other treatable illness that kittens may commonly get, such as, but not limited to, eye infection, respiratory infection, ear infection, and parasites or fungal infections, although *Devons Amour* does the best to limit such occurrences. This contract does not cover any illness, treatable or otherwise, that said cat/kitten may contract later in life, or after the warranty date. No other illness/injury is covered under this warranty. There is no guarantee concerning any imperfect feature, such as crooked teeth or nose, kinked tail, or head bump. These are factors that the breeder cannot always predict or control, and therefore will not guarantee. The following are covered illnesses: FELV, FIV, PKD, and serious high-grade heart murmur of grade 3 or higher. BUYER INITIAL\_\_\_\_\_

The Buyer must understand that the kitten may require additional boosters to achieve immunity, as well as annual vaccinations. The Buyer must understand that vaccinations do not guarantee immunity. The Buyer promises to maintain a preventative vaccination schedule as necessary, and to keep the cat in good health. BUYER INITIAL\_\_\_\_\_

The Buyer will not give, lease, loan or sell the cat/kitten to another person, institution, animal shelter, cattery or any similar entity without *Devons Amour's* written approval. If the kitten is transferred to another person, the new owner (s) must agree to abide by these terms.

BUYER INITIAL\_\_\_\_\_

*Devons Amour* cattery strongly advises against keeping cats or kittens with dogs that have any history of aggression. *Devons Amour* cattery does not warranty any injury or death to a kitten resulting from a dog attack or a dog being rough with a kitten. *Devons Amour* cattery also advises against leaving

kittens alone with very young or rough children who may accidentally injure a kitten. *Devons Amour* cattery does not warranty any injury whatsoever that occurs once the kitten/cat has left *Devons Amour* cattery. The Buyer will ensure that an adult is responsible for the care of this kitten /cat. The Buyer will not leave this kitten / cat unsupervised with a child or animal that might harm it. BUYER INITIAL\_\_\_\_\_

Please note that during times of stress, such as going to a new home, cat/kittens can exhibit temporary signs that may include: sneezing, runny nose, watery eyes, diarrhea and/or constipation. To help reduce the signs of stress feed the cat the identical food that the breeder was feeding, and offer bottled water, as well as taking reasonable measures to reduce stress. You can do this by slowly introducing them to the house and the members of the household, as well as limiting the time they are with strangers, toddlers and other animals. Take the time to socialize your kitten and shorten the period of adaptation. It is strongly recommended not to use litter staff aromas as they can cause breath problems and lungs disease. BUYER INITIAL\_\_\_\_\_

Before living the cattery the kitten is fed by \_\_\_\_\_. The Buyer understands that changing food can cause temporary diarrhea. The cattery recommends to keep the same dry food while doing slowly transferring onto another type of dry food. The Buyer got full information about food and litter preferences.
